TRAVERTINE

SATURN
STONE

Silver Travertine

The Beauty of Nature's Palette

BLOCK

SLAB

TILE

Silver Travertine is a stunning natural stone that captivates with its unique blend of soft silver and gray tones, complemented by intricate textures and patterns. Renowned for its beauty and durability, this versatile stone is perfect for a wide array of applications, including elegant tiles, sophisticated slabs, and durable blocks.

Filled Travertine: Filled with resin or cement, this smooth finish creates a uniform surface, making it easy to clean and maintain—ideal for high-traffic areas.

Unfilled Travertine: Retaining its natural texture, this finish showcases the stone's unique holes, perfect for rustic styles but requires more upkeep.

Honed Finish: With a matte appearance, honed Silver Travertine offers a slip-resistant surface, enhancing the stone's color while being suitable for both indoor and outdoor use.

Filled & Honed

Unfilled & Honed

Polished Finish: This glossy finish highlights the stone's features and adds a luxurious touch, best for elegant spaces, though it may require more maintenance to keep its shine.
